

INTERNSHIP OPPORTUNITY: CYCLING & SUSTAINABLE MOBILITY IN THE DACH-REGION (GERMAN SPEAKING)

Location: Delft, The Netherlands

Start Date: September 2024

Duration: 6 months

Remuneration: €350 (already living in the Netherlands), €500 (moving to the Netherlands)

We are looking for a German-speaking intern as of September (preferred)/October 2024. The intern will work from our office in Delft and support our international team. The Mobycon DACH team works on projects in Germany, Austria, and Switzerland. We largely focus on cycling, advising municipalities on making their cycling infrastructure more suitable for everyone.

Activities you will be supporting us on as an intern:

50%:

- Writing, creating, and developing layouts for German documents (for social media, proposals, reports, etc.)
- Posting news and articles on Mobycon's German website and on social media
- Collecting and analyzing data
- Supporting the activities of Mobycon's DACH-region strategic manager

50%:

- Advising and developing reports for German authorities (and other clients)
- Contributing to projects in the DACH region and other (inter)national Mobycon projects

Requirements:

- Knowledge of the German mobility planning landscape
- An affinity for working as part of a multilingual, multinational team
- Experience working with/within German municipal, regional, or national authorities
- Familiarity with the following programs: Adobe Suite (InDesign, Illustrator); ArcGIS (or other GIS software); Microsoft Office Suite
- Basic knowledge of the Dutch language

What we can offer you:

- The opportunity to learn new skills in Mobycon's team
- The opportunity to network within the Netherlands and the DACH region, especially Germany, as a representative of a highly specialized mobility consultancy
- You will work at the cutting edge of planning for cycling and active mobility
- Remuneration of €350 – €500 (see above)
- A laptop if you do not have one yourself
- The possibility of travel within the Netherlands and neighboring regions for business travel
- 2 days' vacation per month

To express your interest in this opportunity with our team, please send your CV and cover letter in English to our Recruitment Team at vacature@mobycon.nl and please use 'Intern DACH-team' in the subject line.
